Covid Precautions. Drs. Bundy-Myrow and Myrow recognize the challenges that COVID-19 has created for the therapeutic community. This is the first in-person Theraplay training in Buffalo in 2.5 years and safeguards for safety will be in place. Consistent with NY Governor Cathy Hochul's mask requirements in health care settings, participants will protect each other by wearing a mask during the training hours. Number of participants are limited and breakout rooms will provide more space for practice activities. Efficient air circulation and anti-viral filters operate as well. We reserve the right to modify the safety precautions in accordance with CDC and New York State guidelines including cancellation in the event of rare, unforeseen circumstances. Registrants would receive a full refund and/ or linkage to participation in a different training, if available. If you are exposed to someone who is sick with COVID 19, or develop symptoms, yourself, take a self-test or go to a doctor to get tested for COVID 19 (CDC, Mask Guidance, 3/21/22).

As part of protecting each other, by registering, I agree to participate with the above safeguards. I agree that if I have a positive Covid test or significant Covid symptoms (fever, cough, etc.) to not attend and let the staff know.
